I wasn't blind before I saw you  
Then my goals blurred, what was I supposed to do?  
That's why this is the last time I'll sing you  
This is my last song for you

Now before I need to fall  
Let me say everything I hate of you  
We'll stay here, and I'll sing you  
A hymn of faith and shame  
Here we stay, we'll take the blame

There's nothing wrong for this  
To be the last song (the last song)  
Cause' when we see the sun fall down forever  
Forever is gone, this'll be the last song (the last song)

Now that I'm starting to let go  
So I can give back what you gave me  
The first day we saw  
So stop acting naive  
I know you're pretending  
You want to start to cry

Is this what you deserved?  
Anything that you regret?  
Is this what you deserved?  
Everything that we'll forget

There's nothing wrong for this  
To be the last song (the last song)  
Cause' when we see the sun fall down forever  
Forever is gone, this'll be the last song (the last song)

This is what I get  
When I've looked down  
This is what we all deserve  
We can't fake it anymore

There's nothing wrong for this  
To be the last song (the last song)  
Cause' when we see the sun fall down forever  
Forever is gone, this'll be the last song (the last song)
