Don't you  
You just pushed me down again  
Hate you  
I only have the word hate for you

Out of the flow  
Loosing places to go  
I don't know at all  
Why I needed to fall  
Making me go up and down from you  
So I fell on the floor again  
To fall back down and restart

Curse you  
Words that I can only say to you  
Drain you  
Feeling so faithless, without the pills

Out of the flow  
Loosing places to go  
I don't know at all  
Why I needed to fall  
Making me go up and down from you  
So I fell on the floor again  
To fall back down and restart

Drag you  
I'd drag you to where I'm at  
With you  
You can't make me fall anymore  
No you can't...

Making me go up and down from you  
So I fell on the floor again  
To fall back down and restart  
Just to restart, you made me fall to the ground  
Want you to remember when you're not around  
You're making me go up and down from you

Wish you  
Come back and fall again  
Not you

Living all by myself again
