Hey!  
La-la-lalala-la-la  
La-la-lalala-la-la

Hey!  
La-la-lalala-la-la  
La-la-lalala-la-la

I can't trust anything anymore  
It's just going to end just like before  
Always ending up without making sense  
And I can't never explain my innocence  
You never seem to be sorry  
Once you say it's a medicine for you not to worry

Then I realize how you hate me so  
So much but I don't really feel low  
Cause' whatever I say, you won't know  
Pay attention, start listening  
Pay attention, start listening  
You don't really care what I want

Hey!  
La-la-lalala-la-la  
La-la-lalala-la-la

Say sorry!

Hey!  
La-la-lalala-la-la  
La-la-lalala-la-la

I can't believe that you said  
Something not inside your head  
Cause' when you say sorry and you say you mean  
I know that's the best excuse for when you're thirteen  
You never mean to be sorry  
And now I know that you don't even worry

Then I realize how you hate me so  
So much but I don't really feel low

Cause' whatever I say, you won't know  
Pay attention, start listening  
Pay attention, start listening  
You don't really care what I want
