I see you at my job,
uh-huh
You carryin' yourself so well,
so well,
I made my self a promise,
Now whats that?
Not to get emotionelle,
emotionelle,
And in my lonely eyes ,
I see myself in evergreen shine,
In a Tuxedo,
Xedo,
Dancing with her.

Wo wo wo

Hello, how is it?
I wanna hold your hand,
i haven't been the same man,
since I saw you comin' in,
that's how I know you,
"The Girl In Isle 10"

When you came there to the store,
Uh-Huh
You looked like an angel,
Angel,
Those chopsticks in your hair,
Uh-Huh,
Made me go over there,
Over there.
And in my bloodshot eyes,
I see that here everything's fine,
so I talked to her,
To her,
And then she said yes.

Hello how is it?
I wanna hold your hand,
I haven't been the same man,
Since I saw you coming in,

That's how I know you,
"The girl in Isle 10"

Hello how is it?
How is it?
How is it?
Isle 10.

That's how I know you,
"The Girl In Isle 10"!

SPOKEN:
THATS A RAP PEOPLE.
