Yea... Going crazy... crazy...

Broken inside, still I ignore it
The pride inside won't let me show it
I've been here once before; I can't believe it's
happening

Losing my mind, feel out of focus
No tears left to cry, and still feeling hopeless
Don't want to give up on love,
But it seems that love gave up on me

I'm crazy... feeling so crazy
I'm crazy... Without you baby
I can't go on, I'm losing control... I don't know what you
did...

I'm crazy... feeling so crazy
I'm crazy... Without you baby
I can't go on, I'm losing control... I don't know what you
did...

Said I can't let go... can't accept it's over
Why did you let it go when you promised it'd be
forever?
Want to pick up the phone to tell you to come home
The day you walked out on love is the day I lost a part
of me

I'm crazy... feeling so crazy
I'm crazy... Without you baby
I can't go on, I'm losing control... I don't know what you
did...

I'm crazy... feeling so crazy
I'm crazy... Without you baby
I can't go on, I'm losing control... I don't know what you
did...

I don't... I don't know what to feel
What am I to do?

Nothing's been the same since losing you
Half crazy...
Going half crazy
Hearing your voice, you're not even there!
