I like nerdy girls with  
Good diction and lots of curls you  
Might not remember me  
In High School I was nobody  
I saw you after class  
I said hello you turned your back  
That's ok cool girls get lame  
But the nerdy ones never change  
Please use my calculator  
To subtract all the haters  
Remainder feeling right  
Add it up twice I love this life  
Oh Oh Oh Oh  
Tonight We're shining like  
Crazy Hot Nerds  
Hollywood Nerds  
Oh Oh Oh Oh  
Light up the streets like you're  
Crazy Hot Nerds  
Hollywood Nerds  
I wish my trapper keeper  
Could trap these good days forever  
Geek it out with my best friends  
Pray this fun will never end  
We get starred at in the car  
When we turn it up  
Singing who we are  
Duper Super bright and true  
Hey now nerds are people too  
Authentic and for real  
We've got nothing to conceal  
We engage the stage of clarity  
With secret popularity  
Oh Oh Oh Oh  
Tonight We're shining like  
Crazy Hot Nerds  
Hollywood Nerds  
Oh Oh Oh Oh  
Light up the streets like you're  
Crazy Hot Nerds  
Hollywood Nerds  
Everything we touch turns to

Gold let me hold your hand  
Bought a limousine  
For all these nerdy beauty queens  
The chauffeur can park it  
Right on the red carpet  
Don't you wish your boyfriend  
Was a nerd like me  
Oh Oh Oh Oh  
Tonight We're shining like  
Crazy Hot Nerds  
Hollywood Nerds  
Oh Oh Oh Oh  
Light up the streets like you're  
Crazy Hot Nerds  
Hollywood Nerds
