I hear the bombs breaking bridges from the sky  
You look so cute with the reflections in your eyes  
If this is the end of the world, I wanna burn up with you.  
(with you)

I feel the heat of the fire from the city  
With smoke in your face, girl you still look so pretty  
If this is the end of the world, I wanna burn up with you.  
With.... Doo doo doo doo doo doo doo doo doo

I'll be  
your zombie  
if you'll be  
my insomnia

I'll be  
your zombie  
if you'll be  
my insomnia

(music)

Kiss me watching cable while were underneath the  
table

Kiss me till the shaking of the earth makes you unable  
If this is the end of the world I want to burn up with you.  
(With you)

I'm about to burst until I'm little pieces.

I still get a smile even though I've got a reason  
If this is the end of the world I wanna burn up with you  
(with--- I'll be (I'll be)

your zombie (my zombie)  
if you'll be (if you'll be)  
my insomnia (my insomnia)

I'll be (I'll be)  
your zombie (my zombie)  
if you'll be (if you'll be)  
my insomnia (my insomnia)

I'll be  
your zombie  
if you'll be  
my insomnia

I'll be  
your zombie  
if you'll be  
my insomnia

(music)

doo doo doo doo doo doo doo doo doo doo  
doo doo doo doo doo doo doo doo doo doo  
doo doo doo doo doo doo doo doo doo doo  
I can feel the effects of radiation on my neck  
I can feel the nostalgia baby I'm so glad I found'ya  
Are you still gonna love me when it's too painful to hug  
me  
Are you still gonna kiss me if I am looking sickly  
I can feel the effects of radiation on my neck  
I can feel the nostalgia baby I'm so glad I found'ya  
Are you still gonna love me when it's too painful to hug  
me  
Are you still gonna kiss me if I am looking sickly  
(music)  
I'll be (I'll be)  
your zombie (my zombie)  
if you'll be (if you'll be)  
my insomnia (my insomnia)  
I'll be (I'll be)  
your zombie (my zombie)  
if you'll be (if you'll be)  
my insomnia (my insomnia)  
I see the world say goodbye forever sunlight  
I look into your eyes and I know that I'll be alright  
If this is the end of the world I wanna burn up with you  
With You
