How come my life ain't like this movie?
I should try to look some more like that.
And maybe then I could be a movie star,
And maybe then you'd always laugh at my jokes.
'cause life would be just like this movie,
And I would never feel alone. In fact,
All the problems that I have would go away,
And I would forget how to feel sad.

'cause this silver screen that I'm looking at
Is making me a little bored of my life 'cause
Its not what I'm looking at,
'cause this has so much more of excitement,
Thrills, and adventurous things in every life.
And a sparkle is the reflection in my eye.

Ba ba ba ba, ba ba ba ba.
If only the shows were as real as the glows
Then we'd never see the same,
But I guess we'll never know.
Ba ba ba ba, ba ba ba ba.
Well they showed it, and we bought it.
So you see it's not just me, it's sweet - It's in the movie.

She wants a better body and some super model moves.
'cause in her head she's always been the ugly one.
Well hey, we think we're ugle too.
And it's true that we will never know
All of the things that she could have known.
Well I wonder when she thought it was that she would
win?
'cause man she got so thin.

Every now and then she would start to pretend like she
was a star and in the movies they're in.
But it's atrange 'cause it seems
There's never happy endings.
Is it make believe?

Ba ba ba ba, ba ba ba ba.
If only the shows were as real as the glows

Then we'd never see the same,
But I guess we'll never know.
Ba ba ba ba, ba ba ba ba.
Well they showed it, and we bought it.
So you see it's not just me, it's sweet - It's in the movie.
