Everybody's hurting.
Everybody knows it.
Are you trying to stop it?
Everyone's watching.
What are you gonna do?

Are you trying to stop it? Everyones watching.
Everyone is conversing. Everyone's listening.
Oh, yeah, they were apart.
He was apart and she was a part of it
Oh, falling apart, is anyone watching?
Is anyone listening? Are we listening?

And all I have, is all of me.
And it's all that I can give.
Our disappointed hearts will heal.
Our hearts will spill, over you, over me, over this.

They never knew, they never knew, what you're going through.
Cause you've got everybody thinking,
There's nothing wrong with you.
And you fall apart, cause you felt apart.
And they were a part of it.
Oh, falling apart, is anyone watching?
Is anyone listening? Are you listening?

And all I have, is all of me.
And it's all that I can give.
Our disappointed hearts will heal.
Our hearts will spill, over you, over me, over this.

On dark and stormy days, somewhere it's glowing.
And even though I know I'm here, I know I'm going.
Oh you never stop, you just collide.
Collapse onto your side.
So rise and make it right.
Yeah!

And all I have, is all of me.
And it's all that I can give.
Our disappointed hearts will heal.

Our hearts will spill, over you, over me, over this.

And all I have, is all of me.

And it's all that I can give.

Our disappointed hearts will heal.

Our hearts will spill, over you, over me, over this.

And all I have, is all of me.

And it's all that I can give.

Our disappointed hearts will heal.

Our hearts will spill, over you, over me, over this.
