I'm on top of the world
I can see it all around me
Such beautiful words
Leaving and oceans
(Woo-hoo-hoo, Woo-hoo-hoo)
I can feel it
Never felt this before
(Woo-hooWoo-hoo-hoo)
Yeah, yeah

I got a beautiful woman
We're coming off of
The hard end of harder times
Gonna be starting something
That gets us straight up outta here
(Woo-hoo-hoo, Woo-hoo-hoo)

I can fix it
Let me take us away
(Woo-hoo-hoo)
Yeah, we leave at night
We stay by day

Say you're with me
There's gold ahead
There's golden dreams
And life's hills and valleys
(Woo-hoo-hoo)
Yeah, will you hold on with me?
(Woo-hoo-hoo, Woo-hoo-hoo)
Let me take us
Let me take us away
(Woo-hoo-hoo, Woo-hoo-hoo)
Away

We drove out to California
Straight through the desert of Arizona
Sweet Texas, I'll kiss ya
Hope to be back
But now I gotta leave ya
(Woo-hoo-hoo, Woo-hoo-hoo)

I can fix it
Let me take us away
(Woo-hoo-hoo)
Yeah, we leave at night
We stay by day

Say you're with me
There's gold ahead
There's golden dreams
And life's hills and valleys
(Woo-hoo-hoo)
Yeah, will you hold on with me?
(Woo-hoo-hoo, Woo-hoo-hoo)
Let me take us
Let me take us away
(Woo-hoo-hoo, Woo-hoo-hoo)

I wouldn't know just how sweet this tastes now
No, if at first I did not go through
The bitter times, the bitter places
I'll stay alert for new battles
But, for now, we're here

Say you're with me
There's gold ahead
There's golden dreams
And life's hills and valleys
(Woo-hoo-hoo)
Yeah, will you hold on with me?
(Woo-hoo-hoo, Woo-hoo-hoo)
Let me take us
Let me take us away
(Woo-hoo-hoo, Woo-hoo-hoo)
Let me take us
Let me take us away
(Woo-hoo-hoo, Woo-hoo-hoo)
Let me take us
Let me take us away
(Woo-hoo-hoo, Woo-hoo-hoo)
