WOAH, WOAH OH OH..
Don't just don't sit down
I'm wanting this to be
A super natural flood of life
And not just make believe
Singing about what's real to me
Gasping for air, trying to breathe
While being put down by me
AH AH..
While thinking
Oh so hard to just stay alive
Treading over time
While i'm slowly dying
I take one last breath
And one last prayer
To survive
The waves they break me
The air hits my face
My unthinking with
This new found grace
I swallowed the air
Quick to erase
Its such a beautiful day

I was so alone
I was to myself
Thought i was on my way
But i was missing you
So make it up
Break it up
Take this wherever you want
And i wanna go
So just stay this way
On this train
Which i roll
Oh oh, OH OH, OH OH OWOWOWOWOWOWOW...
OWOWOWOWOWOWOW..
No, no, no, no , no, no , no, no.
No no no ...
Yeah...
Do do do...
Come on come on come on...

Now Woah..

I was so alone
I was to myself
Thought i was on my way
But i was missing you
So make it up
Break it up
Take this wherever you want
And i wanna go
Woah Woah Woah.
Go go go...
Oh, oh, oh, oh..
Yeah...
