Whoa.....

Man I just saw something
I'm glad that you are here.
I got to start to thinking
And seeing things so clear.
Cause now how could I forget
What she left
What happened in November
Is what I needed.
And I'm sorry, that it shows
But life ain't so bad you know.

Now the skies such a sweet blue
You made this come true.
My heart feels so new, whoa...
Its now wonderful to
See beautiful views.
Like skies that are so blue, whoa, whoa!
I'll never leave us you know!

I turn it off for this
Looks like we got what we wished.
It snowed in Texas, but you missed (the 1st time since
'86)
And I can't stop thinking of how wonderful this is.
And I'm sorry, I sound glad, but why always be so sad.

Now the skies such a sweet blue
You made this come true.
My heart feels so new, whoa...
Its now wonderful to
See beautiful views.
Like skies that are so blue, whoa, whoa!

Ba Ba Ba Ba....
Ba Ba Ba Ba....

And I know that sometimes oh I might feel alone, so
broken, cold
Now I'll show that I know that

The skies such a sweet blue
You made this come true.
My heart feels so new, whoa...
Its now wonderful to
See beautiful views.
Like skies that are so blue, whoa, whoa!
I'll never leave us you know, whoa!
