So long before
You've stood so long
At my door
Abundantly you have asked
Have you received
Is this everything that you've hoped for?
Is this everything you've dreamed?
Well I'm not sure
If I dont really mean it.

Life and history
Repeat and I
Will see visions vividly
Of how everything will end the same
Is this everything that you've hoped for?
Is this everything you've dreamed?
Well I want it to be
If the real point is seen.

So in this hour
Everything I do
Will be all for this moment
Everything's for you
My heart is open
And willing
So take it

Get up, get up, get up

So much feeling oh, my soul is singing
And everybody feels the same
Is this everything that you've hoped for?
Is this everything you've dreamed?
Well I think it is
If the real point is seen.

So in this hour
Everything I do
Will be all for this moment
Everything's for you
My heart is open
And willing

So take it

Stay in place
When theres so many things to say
I want to help and not just hesitate
But I just don't
But I just don't
So please take my life
And use it
I'm ready

Oh oh, oh oh, ohhh
Oh oh, oh oh, ohhh
Oh oh, oh oh, ohhh
Oh oh, oh oh, ohhh
Oh oh, oh oh, ohhh
Oh oh, oh oh, ohhh
