The story of my life I can't quite comprehend  
so tell me if you know how it ends  
when everywhere you go feels like a mirror maze  
and your not sure how your stuck in this place

And you got no where else to go  
and your lost within your own home  
your tryin so hard to win  
you keep tryin it's embarrassin  
and how you don't even know  
but you know your off the tracks  
and how did you get in here?  
thinkin ?how did I get in here??

I'll help you break the walls down  
i'll help you break the walls down  
and bust you out and take you home  
believe you me you are not alone  
I'll help you break the walls down

Does anybody know where February went?  
I was hoping by now it'd be the end of this  
when you open up a book and read a thousand lines  
but you don't really read you just move your eyes

And you got no where else to go  
and your lost within your own home  
your tryin so hard to win  
you keep tryin it's embarrassin  
and how you don't even know  
but you know your off the tracks  
and how did you get in here?  
thinkin ?how did I get in here??

I'll help you break the walls down  
i'll help you break the walls down  
and bust you out and take you home  
believe you me you are not alone  
I'll help you break the walls down

I know this is random but just this morning I saw the  
sun

reflecting off the lawn window  
oh I don't know why but I thought you should know

When you got no where else to go  
and your lost within your own home  
your tryin so hard to win  
you keep tryin it's embarrassing  
and how you don't even know  
but you know your off the tracks  
and how did you get in here?  
thinkin 'how did I get in here?'

I'll help you break the walls down  
i'll help you break the walls down  
and bust you out and take you home  
believe you me you are not alone  
I'll help you break the walls down
