"I don't know your name
But I know you're a star
I am attracted to your fame
And believe me I go far

Ekaksi sori ku oon nain ruma, mut anna mun ees
yrittää
Ni ainaki YOR saa naha, miten muijien kans tyritää
Ma en halua bylsimaa, vaa ylistää sun ihanaa alyy
Nykyhuoril ei oo happy, kaikki menossa jo ekan iltan
sankyy
Jos se et oo sa, se ei oo kukaa chica, jote lahe mun
mukaan ja
Ma teippaan sut vessan seinää ja pakotan sniffaa
butaania
Hoidan punania, ilman sultaania, vittuu anaalii
Ni voit jo huomen lesoo boordil, et sun vatsas o Pikku-
Skandaali
Tytto suhun ma voin tuhlata, ostaa sulle kukkii ja
suklaata
Kunhan lupaat olla mukava, vaikken sais muuta ku
pussata
Koska vittu ma pidan susta ja saattaa olla et rakastanki
En vaa tainnu kertoo oon seksirikolline ja karannu vanki
Ma vien sut ensi-iltaa, 7 paivaa ja lomalle kylpylää
Siel sit raiskataa se siivooja, ja pidetaa vankin kunnes
se synnytaa
Lopuks tuun taas varmaan ihmettelee - 'mika meni
pielee?'
Ku sa paadytpakastearkkuu mun ex-muijafrendie
vieree.

I see differently
You're a total retard
You could never get with me
Don't care if you're a star"

Well excuse me beauty, may I join you fo' this evenin'/?
OH, so you're just leavin'? Nah, chill a minute pretty
thing./
Lemme tell you my whole history 'n forgive me if I'm

sickenin'
Wid my story how I killed this chicken in shower, da
floor was slippery
Come over to my place 'n I'll cum all over yo face 'n
Have you locked in da basement 'n fuck you wid a rusty
spray can
I wanna get physical, whippin' you while sniffin' glue
I'm just a lil' criminal, gotta pay my dues by pimpin' you
I'd like to take you out 'cuz I love you, but it's not
possible
'Cuz propably you tried to escape 'n imagine what the
cops would do
I'll bring you loads of flowers if you gimme a golden
shower
Oh, so now you goin'! ? shut the fuck up bitch 'n snort
this powder
That'll help you undastand dat I'm the king 'n you're my
queen bitch
Before yo go, please check out my penis, you gotta see
it
'N if you still wish to leave (frigid) then you're allowed
to go
But you better take a taxi or I'ma come 'n follow you
home
