Hey, Hey, Hey,  
Yeah turn it up  
Let it burn yeah

When I was young my momma used to scold me  
She said "Son, son, son wait till your daddy gets ahold  
of you"  
Foolin' around, laziest kid in town  
But I was never into books or the rules teachers putting  
down

Turn up the radio, I want a quick reaction  
Turn up the radio, Baby let the music play

Hey, Hey, Hey  
Let it play  
Hey, Hey, Hey

Goin downtown gonna have some fun in the city  
Gonna ride around town in my beat up Chevy  
I'm like a jukebox junkie, gotta hear my rock n roll funky  
Baby, Baby, Baby you can do it if you wanna

Turn up the radio, I want a quick reaction  
Turn up the radio, Baby let the music play

The sun goes down on the side of the river  
See my face, baby look at my face  
Fall into your arms, I'll be delivered  
Lovin' you hard, Baby lovin' you hard

Turn up the radio, I want a quick reaction  
Turn up the radio, Baby let the music play  
Turn up the radio; I want some satisfaction  
(guaranteed)  
Turn up the radio, Baby let the music play  
Turn up the radio, Baby let the music play  
Turn up the radio, Baby let, Baby let!
