We stand here today  
Together as one  
You brighten my days  
Just like the sun  
When everything round  
It starts turning weather  
We always survive  
Cuz were in this together  
Whoever said that we can never hold on  
And don't know how I found my star (Baby you are my star)  
Now i'm happy I stood up for so long  
And baby this is where our story starts...  
I can't stop can't stop this love  
No matter what they say I love you

I can't stop can't stop I love you no matter what they say  
I love you  
They say this love is the impossible kind  
And we were strong enough to fight for this life  
I can't stop can't stop this love  
No matter what they say I love you  
Now I can't lead away  
Cuz I've open my arms  
You're here to stay  
Deep in my heart  
You say that we couldn't  
But we did make it work  
And nothing can stop not even 2 different worlds  
Whoever said that we can never hold on  
And don't know how I find out my star (baby you are my star)  
And now i'm happy I stood up for so long  
Baby this is where our story starts ....  
I can't stop can't stop this love  
No matter what they say I love you  
I can't stop can't stop I love you no matter what they say  
I love you

They say this love is the impossible kind  
And we were strong enough to fight for this life  
I can't stop can't stop this love

No matter what they say I love you  
I can't stop stop no I can't stop  
I can't stop stop no I can't stop  
I can't stop stop no I can't stop  
I can't stop stop no I can't stop

I can't stop can't stop this love  
No matter what they say I love you  
I can't stop can't stop I love you no matter what they say  
I love you  
They say this love is the impossible kind  
And we were strong enough to fight for this life  
I can't stop can't stop this love no matter what they say  
I love you
