Never thought a word could break a man,
But if you answer yes I'm crumblin'
'Cuz on the street your name's been goin' round
Hope you ain't tryin to play a brother out

Now the question's, girl, have you done it?
Only you know the truth, and I want it
Innocent or guilty? Tell me what it's gonna be?

I heard you're doin' dirt,
Diggin' someone else,
Makin' such a mess
You're burying yourself

I heard you doin' dirt,
Why don't you come clean?
Oh, girl it's gonna hurt,
When I wash my hands of you, baby

I remember you were smilin' hard
The day you got the keys to the house, the whip, my
heart
I gave you everything a player had
Please, don't make me have to go and take it all back

Now the question's, girl, have you done it?
Only you know the truth, and I want it
Innocent or guilty? Tell me what it's gonna be?

I heard you doin' dirt,
Diggin' someone else,
Makin' such a mess
You're burying yourself

I heard you doin' dirt,
Why don't you come clean?
Oh, girl it's gonna hurt,
When I wash my hands of you, baby

I ain't tryin to be all thug, but, girl, you need to know
If you done slipped up then you got to go,
But I want you to stay so you better speak up now,

And girl, with just one word
Are you in or out?

Tell me what you're doin' now,
'coz I keep on hearin' 'bout you doin' dirt
Baby, are you doin' dirt?
