"Nobody Knows"

I'm lost in the streets in the city of pain
I learned how to cry, how to go insane
Your love, because of your love
The gypsy woman in the corner knows my name
But still she couldn't say when you're back again
Your love, because of your love

Nobody knows, nobody knows
Nobody knows, nobody knows

[Chorus:]
Can you feel my heart
I can feel your speed
Faster every second
Dancing to the beat
What's love, nobody knows

Trapped in the fire just to see in your eyes
Swallowing my pride struggling to stay alive
Your love, because of your love
I'm looking like power cause I know how to hide
The scars and the hours I pretend to be fine
Your love, because of your love

Nobody knows, nobody knows
Nobody knows, nobody knows

[Chorus:]
Can you feel my heart
I can feel your speed
Faster every second
Dancing to the beat
What's love, tell me what's love

(Nobody knows)

[Chorus:]
Can you feel my heart
I can feel your speed (nobody knows)
Faster every second
Dancing to the beat (nobody knows)
What's love, nobody knows

What is love, do we know, do we know
What is love, do we know, do we know

[Chorus:]
Can you feel my heart
I can feel your speed
Faster every second
Dancing to the beat
What's love, tell me what's love

(Nobody knows)

[Chorus:]
Can you feel my heart
I can feel your speed (nobody knows)
Faster every second
Dancing to the beat (nobody knows)
What's love, nobody knows
