Be careful with my heart
Be careful with my heart
Be careful with my heart
Be careful with my heart

It isn't say she's making her way in my head
Dangerous game I should drop and walk away
I'm not the same the wish my every interest stray
In the back way now all that I can do is play

She's in my head 24/7 with her you like it or not

It isn't ok, you play a dangerous game
Got me hangin' like a voodoo puppet on the string
It isn't ok, you got me losin' my way
I'm a prisoner I'm stuck inside you labored oh

I see the sun, I'm smiling but I'm terrified
She's in disguise, an angel with a devil's touch
The way I hide like [unverified] I won't lose my side
I'm goin' blind, I know she's messing with my mind

She's in my head 24/7 with her you like it or not

It isn't ok, you play a dangerous game
Got me hangin' like a voodoo puppet on the string
T isn't ok, you got me losin' my way
I'm a prisoner I'm stuck inside you labored oh

Be careful with my heart
Be careful with my heart
Be careful with my heart
Be careful with my heart

Be careful with my heart
Be careful with my heart
Be careful with my heart
Be careful with my heart

Oh

It isn't ok

It ain't ok

It isn't ok, you play a dangerous game
Got me hangin' like a voodoo puppet on the string
It isn't ok, you got me losin' my way
I'm a prisoner I'm stuck inside you labored oh

Be careful with my heart
Be careful with my heart

It isn't ok, you play a dangerous game
Got me hangin' like a voodoo puppet on the string
It isn't ok, you got me losin' my way
I'm a prisoner I'm stuck inside you labored oh

Be careful with my heart
Be careful with my heart
Be careful with my heart
