Ohoo, oh
Yeah
Come on now
Babie
Woh

You can't fight the moonlight
And you can't stop the time
It's the way it is
And That's the way I wanna be
Cause that makes me feel free
No matter what

Night after night
Day after day
You're tryin to tell me to change

[Chorus:]
It's just the way I am
The things I do
It's just the way I feel
When I'm around you
Don't think about the reason why
It's not a lie
I know that deep in my heart
It's the way that I am

I don't wanna go back again
Oh no
I don't wanna make the same mistake
Then I might lose you
Thats the way it has to be
We both have to feel free
When it comes to our dreams
Oh

Time after time
I keep tellin you that
Nobody has to change

[Chorus x2]

Night after night
Day after day
You're tryin to tell me to change

[Chorus x3]
