They always said it would come  
Down to this  
There is no time left to  
Reminisce  
Chasing a dream can lead  
You to ruin  
Sometimes the best don't know what their doing

Losing my cool, Losing control  
Nothing to add, Nothing to show  
Digging myself deeper into this hole

[Chorus:]  
Shot to hell  
Shot to hell  
It's all shot to hell  
Shot to hell.

No one could take what these  
Eyes have seen  
Can't make some sense of  
What it could mean  
Is it real or is it some kind of dream

[Chorus]

The visions lost  
SHOT TO HELL  
I count the cost  
Shot to hell  
Where can I turn  
Shot to hell  
I feel the burn

Now it's clear so easy to see,  
This is a world that's not meant for me  
Only one that that I can truly be free.  
I feel the burn  
I count the cost  
Where can I turn  
My visions lost

[Chorus]
