You're a silent witness  
Till the end of time  
Never saying what you saw  
Still haunts your mind  
What we leave behind  
Never fades away  
You're the one who keeps hiding the truth  
You're a lie

Looking for deliverance  
But you can't escape  
Never placing any guilt  
On the one to blame  
I can see the pain within your eyes  
You're just running  
And going insane  
You're a lie  
Don't you see  
That your hands will be stained  
You're a lie

[Chorus:]  
You can't release the truth  
Your silence is a lie  
It's locked inside of you  
Your silence is a lie  
You're losing sanity  
'Cause silence is a lie  
Stay blind to what you see  
And silence is a lie

Broken alibis  
And you still forget  
Devil in disguise  
Says your soul is kept  
You're just running  
And going insane  
You're a lie  
Don't you see  
That your hands have been stained  
You're a lie

[Chorus]

You can't release the truth  
Your silence is a lie  
It's locked inside of you  
Your silence is a lie  
You're losing sanity  
'Cause silence is a lie  
Stay blind to what you see  
And silence is a lie
