Gonna get you, gonna get you, better run now  
Gonna get you, gonna get you, better run now  
Right behind you and I'm breathing down your neck (ha  
ha)  
Right behind you and I'm breathing down your neck  
now  
If you trip I'm gonna trample you  
If you fall I'm gonna get you, get you, get you  
Look behind you and you'll see me, I'm huge, I'm huge

Huge and horrible  
It's what I am  
Huge and horrible  
In a jam

In the corner, in the corner, I can see you  
In the corner, in the corner, I can see you  
In the dark you hear me breathe (ha ha ha ha)  
In the dark you hear me breathing near you  
Getting closer, you can feel me  
Start to panic, start to panic, start to panic, yYou can't  
see me  
It's all over cuz I got you  
I'm huge, I'm huge

Huge and horrible  
It's what I am  
Huge and horrible  
In a jam

\*SOLO\*

Huge and horrible  
It's what I am  
Huge and horrible  
In a jam

Huge and horrible  
It's what I am  
Most deplorable  
In a jam
