I saw her
All alone
Standing there
By the door
And I knew
That love has come my way

When I asked
Her to dance
She was smiling
And I knew
I was lost
True love was here to stay

Look in my heart
(Look in my heart)
Look in my heart
(In my heart)
Look in my heart

Look in my heart
(Look in my heart)
Look in my heart
(In my heart)
Look in my heart

People say
It's a game
Lovers play
But for me
It's much more
Then words could ever say

Just one more look
In her eyes
Made it easy
To see
She and I
Would never say goodbye

Look in my heart
(Look in my heart)

Look in my heart
(In my heart)
Look in my heart

Look in my heart
(Look in my heart)
Look in my heart
(In my heart)
Look in my heart
