Dream dream lover
Dream dream lover
Every night I hope and pray
A dream lover will come my way
A girl to hold in my arms
And know the magic of her charms
Because I want a girl to call my own
Chorus

I want a dream lover
So I don't have to dream alone
Dream lover where are you
With a love oh so true
And a hand that I can hold
To feel you near when I grow old
Because I want a girl to call my own
Chorus

Someday I don't know how
I hope you'll hear my plea
Someway I don't know how
She'll bring her love to me
Dream lover until then
I'll go to sleep and dream again
That's the only thing to do
Until my lover's dream come true
Because I want a girl to call my own
Chorus

Oh? I got to hold on (someway)
But I don't know how
She'll bring her love to me
Her love to me
Dream lover until then
I'll go to sleep and dream again
That's the only thing to do
Until my lover's dream come true
Because I want a girl to call my own
Chorus 3 X
