See the tree how big it's grown
But friend it hasn't been too long it wasn't big
I laughed at her and she got mad
The first day that she planted it, it was just a twig
Then the first snow came
And she ran out to brush the snow away so it wouldn't
die
Came running in all excited slipped and almost hurt
herself
And I laughed 'til I cried
She was always young at heart
Kind of dumb and kind of smart
And I loved her so
And I surprised her with a puppy
Kept me up all Christmas Eve two years ago
And it would sure embarrass her when I came in from
working late
Cos' I would know
That she'd been sitting there a crying
Over some sad and silly late late show
And Honey I miss you
And I'm being good
And I'd love to be with you
If only I could
She wrecked the car and she was sad
And so afraid that I'd be mad
But what the heck
Though I pretended hard to be
Yes you could say she saw through me
And hugged my neck
I came home unexpectedly
And caught her crying needlessly
In the middle of the day
And It was in the early spring
When flowers bloom and robins sing
She went away
And Honey I miss you
And I'm being good
And I'd love to be with you
If only I could
One day when I was not at home
While she was there and all alone

Angels came
Now all I have are memories of Honey
And I wake at nights and call her name
Now my life's an empty stage
Where Honey lived and Honey played
And love grew up
And a small cloud passes over head
And cries down on the flowerbed
That Honey loved
And see the tree how big it's grown
But friend it hasn't been too long it wasn't big
I laughed at her and she got mad
The first day that she planted it it was just a twig
