More than the greatest love the world
has known
this is the love that i give to you
alone
more than the simple words
i try to say
i only live to love you more
each day
more than you'll ever know
my arms long to hold you so
my life will be in your keeping
waking sleeping laughing weeping
longer than always is a long long time
but far beyond forever
you'll be mine
i know i've never lived before
and my heart is very sure
noone else could love you more
More than the greatest love the world
has known
this is the love that i give to you

alone
more than the simple words
i try to say
i only live to love you more
each day
more than you'll ever know
my arms got to hold you so
my life will be in your keeping
waking sleeping laughing weeping
longer than always is a long long long time
but far beyond forever
you'll be mine
i know i've never lived before
and my heart is very sure
noone else
could love
you moooooorrrrrre
