(jimmy reed) Know I love you baby Know I love you
baby You know I love you baby You don?t even know my
name Let me tell you baby I tell you what I would do I
would rather be a big somebody And come home to
you Ain?t that lovin? you baby Ain?t that lovin? you
baby Ain?t that lovin? you baby You don?t even know my
name Let me tell you baby Though it don?t sound true I
you?d throw me in the ocean I?d swim to the shore And
come home to you Ain?t that lovin? you baby Ain?t that
lovin? you baby Ain?t that lovin? you baby You don?t
even know my name, alright Know I love you baby Know I
love you baby You know I love you baby You don?t even
know my name Let me tell you baby I tell you what I
would do I would rather be a big somebody And come
home to you Ain?t that lovin? you baby Ain?t that lovin?
you baby Ain?t that lovin? you baby You don?t even know
my name, alright Four o?clock in the mornin? You come
walkin? home I ain?t got no consolation But to ring you
on the phone Ain?t that lovin? you baby Ain?t that lovin?
you baby Ain?t that lovin? you baby You don?t even know
my name You don?t even know my name You don?t
even know my name
