i can't find a reason why,
i gotta say goodbye,
but i know,
there are things i don't understand,
like why good things gotta end,
but i know,

we all bide our own time,
waiting for another to begin...

this is my awkward goodbye,
my famous last stand,
my handsome farewell,
again and again and again
this is my awkward goodbye,
my famous last stand,
my handsome farewell,
again and again and again
goodbye, goodnight, goodbye

so it finally came the day,
we had to turn the page,
still i hope,
our paths will cross again somehow,
i'll see you in a crowd,
still i hope,
we both find what we're looking for,
and be the ones that we ignored...

this is my awkward goodbye,
my famous last stand,
my handsome farewell,
again and again and again
this is my awkward goodbye,
my famous last stand,
my handsome farewell,
again and again and again
goodbye, goodnight, goodbye

this is my awkward goodbye,
my famous last stand,
my handsome farewell,

again and again and again
this is my awkward goodbye,
my famous last stand,
my handsome farewell,
again and again and again
goodbye, goodnight, goodbye, goodnight, goodbye,
goodnight, goodbye
