How you doin' Annaheim ? I don't know what else to call ya'. If I knew all your names, I'd call ya' your bloody names.

Here's one that we did when we was here - were many of you here last night ?

Alright, well I changed me shirt anyway - no I haven't - changed me trousers.

Sunshine, blue skies, please go away,
My love has found another, gone away
Withered up my future, my life is filled with gloom,
Day after day I stay locked up in my room.
I know to you it might sound strange
But I wish it would rain.

Curse so badly, I dont want to go outside,
Everyone knows that a man aint supposed to cry.
Listen, Ive got to cry, 'cause crying sheds the pain.
To the world outside my tears I refuse to explain
I wish it would rain

Let it rain

Looking down at my tear stained face pressed against
the window pane,
But I search the sky desperately for rain,
'Cause raindrops will hide my teardrops, no one will
ever know
When Im crying, crying when I go outside.
To the world outside my tears I refuse to explain
I wish it would rain

Let it rain
