Wake up Maggie  
I think I got something to say to you  
It's late September and I really should be back at  
school  
I know I keep you amused  
But I feel I'm being used

Oh  
Maggie  
I couldn't have tried anymore  
You lured me away from home  
Just to save you from being alone  
You stole my heart and that's what really hurts

The morning sun  
When it's in your face  
Really shows your age

But that don't worry me none  
In my eyes you're ev'rything  
I laughed at all of your jokes  
My love you didn't need to coax

Oh  
Maggie  
I couldn't have tried anymore  
You lured me away from home  
Just to save you from being alone  
You stole my soul  
That's a pain I can do without

All I needed was a friend to lend a guiding hand  
But you turned into a lover  
And  
Mother  
What a lover  
You wore me out

All you did was wreck my bed  
And in the morning kick me in the head

Oh  
Maggie  
I couldn't have tried anymore  
You lured me away from home  
'Cause you didn't want to be alone  
You stole my heart, I couldn't leave you if I tried

Short music break

I suppose I could collect my books and get back to  
school  
Or steal my daddy's cue and make a living out of  
playing pool  
Or find myself a rock and roll band that needs a helpin'  
hand

Oh  
Maggie  
I wished I'd never seen your face  
You made a first-class fool out of me  
But I'm as blind as a fool can be  
You stole my heart but I love you anyway

Long music break

Maggie  
I wish I'd never seen your face

I'll get on back home one of these days
