(rod stewart, jorge ben)Friday night she's dressed to  
killFishnet tights wearing redhigh heelsAll the boys say  
she's cold as iceI won't sleep until I satisfiedKeep on  
watching her across the roomWaiting for the band to  
play a faster tuneI want her number but I'm scared to  
askI wanna dance and I want her assWhy the fuck is  
she ignoring meI don't know what's wrong with  
meDance with meShe won't dance with meWhy won't  
she dance with meShe won't dance with meDance,  
dance, dance, dance with me, yeahWhy won't you  
dance with me? Come on dance with meDance, dance,  
dance, dance with meHere she comes floating down  
the street,Synthesised eyed wearing cellophane  
jeansPracticed in the art of sexualityMy tongue gets  
tied when I try to speakGot a hard on honey that hurts  
like hellIf I don't ask her somebody else willDance with  
me,( no, don't wanna dance with you)Why won't you  
dance with me( why should I dance with you)Dance,  
dance, dance please dance with me baby(I won't  
dance with youI won't dance with youWhy should I  
dance with youI won't dance with youDance, dance,  
dance)
