(ron wood/rod stewart) Sit right down if you can spare
me a minute I got a tale that's bound to break your
heart Concerns my brother who's thin and played
violin Got it in his head that an iq is all you need He went
his way I couldn't discover mine I didn't worry if I ever
saw him again He's made a profit while I don't even
own a pocket And the last I heard he was sitting at the
top of the tree Wait a minute Late last night reading my
underground press Came a knock on the door thought
it was the third world war Lord above I did not recognize
him I said have a cup of coke here maybe that's all you
need He said the smell of the city Kid it's trying to kill
me My eyes are getting muddy Christ I'm aging fast My
kind of music I knew it wasn't gonna to be simple But
have a quick listen kid maybe that's all you need Don't
stop you make me feel much better Tell me my brother
do you think that's all I need Yea yea Don't it make you
happy Well, well, well, well, well That's all you
need That's all you need That's all you need That's all
you need (repeat and fade)
