I see you across the room,
I'm about to lose my cool, but I do...
Nothing I let you walk on by.

It's a silent movie,
You know I stutter when I speak,
At least when you're around.

And when the day has gone,
I see only one.
In a crowded room,
There is only you.

Your ears are ringing now,
The music was too loud and I see...
None of your friends around.

Where's that smile, love?
The one I dream of at night,
When I sing myself to sleep.

And when the day has gone,
I see only one.
In a crowded room,
I see only you,
There is only you.

When the...
In a...

I see only you,
There is only you.

And when the day has gone,
I see only one.
In a crowded room,
There is only you.
