Up Above My Head"

Up above my head I hear music in the air

Up above my head there's a melody so bright

And fair

I can hear when I'm all alone

Even in those times when I feel all hope is gone

Up above my head I hear joybells ringing

Up above my head I hear angels singing

There must be a God somewhere

There must be a God somewhere

I hear music in the air

I hear music everywhere

There must be a God somewhere

There must be a God somewhere

There must be a God somewhere

There must be a God somewhere
