Champion Charlie Brown
That has a lovely ring
Something to make the fourth-column headlines
Something the kids can sing

Champion Charlie Brown (Esquire)
Setting the whole wide world (On fire)
Fly all the flags, break out the confetti
Cause all the bells to sound
He's gotta be most definatly
Champion Charlie Brown

Champion Charlie Brown
He's got to be the best
Top of the heap when it comes to spelling
Better than all the rest

Champion Charlie Brown (You did it!)
If you're a blockhead boy (You did it!)
It must be something not to be nothing
When you've been on the ground
Once a beginner, now he's a winner
Champion Charlie Brown
Champion Charlie Brown
Champion Charlie Brown
