(feat. Arturo Sandoval)

Gimme a kiss to build a dream on
And my imagination
Will thrive upon that kiss
Sweetheart, I ask no more than this
A Kiss to build a dream on

Give me a kiss before you leave me
and my imagination
will feed my hungry heart
Leave me one thing before we part
A kiss to build a dream on

When I'm alone with my fancies
I'll be with you
Weaving romances
Making believe they're true

Oh, gimme your lips for just a moment
and my imagination
will make that moment live
Give me what you alone can give
A kiss to build a dream on
Gimme a kiss to build a dream on
And my imagination
Will thrive upon that kiss
Sweetheart, I ask no more than this
A Kiss to build a dream on

Give me a kiss before you leave me
and my imagination
will feed my hungry heart
Leave me one thing before we part
A kiss to build a dream on

When I'm alone with my fancies
I'll be with you
Weaving romances
Making believe they're true

Oh, gimme your lips for just a moment

and my imagination
will make that moment live
Give me what you alone can give
A kiss to build a dream on
