If I listened long enough to you,
I'd find a way to believe that it's all true.
Knowing that you lied, straight-faced, while I cried,
Still I'd look to find a reason to believe.
Someone like you makes it hard to live without
somebody else.
Someone like you makes it easy to give, never think of
myself.

If I gave you time to change my mind,
I'd find a way to leave the past behind.
Knowing that you lied, straight-faced, while I cried,
Still I'd look to find a reason to believe.
Someone like you makes it hard to live without
somebody else.
Someone like you makes it easy to give, never think of
myself.

Someone like you makes it hard to think about
somebody else....

If I listened long enough to you,

I'd find a way to believe that it's all true.
I'd find a reason, a reason to believe. (oh no)
And though I want you, you're just not what I need.....

Someone like you makes it hard to live without
somebody else.
Someone like you makes it easy to give, never think of
myself.
Someone like you makes it hard to live without
somebody else.
Someone like you, like you.....
I'd find a reason to believe.....

I would find a reason to believe.
