Is it a matter of opinion  
Or just a contradiction  
But from where I come from  
All the blondes have more fun

Well, just awatch them sisters on a Saturday night  
Peroxide causin' all the fights  
Oh, yeah, oh, yeah

I took a rose in Texas  
She gimme plenty of practice  
But I couldn't touch the surface  
'Cause of recent facelift

She had no idea what love's about  
'Cept the one o'clock call on the casting couch  
Oh, yeah, oh, yeah

Sissy from New York  
Was on the cover of New Vogue  
I ain't supposed to be available  
So completely untouchable

I got a Limousine and bodyguard and chaperone  
But God knows Rodder just needs to ball  
Oh, yeah, oh, yeah

You can keep your black and your red heads  
You can keep your brunettes too  
I wanna girl that's semi intelligent  
Gimme a blonde that's six feet two  
Boy and that ain't all

I had a crush on Bardot  
Fell in love with Monroe  
Read about 'em in the nationals  
All the juicy little scandals

But I never saw 'em dancin' at the County Hall  
With the short fat guy's prematurely bald  
No no, no, no no no, dig this

You can keep your black and your red heads  
You can keep your brunettes too  
Don't wanna subservient woman  
Gimme a blonde that's six feet two  
Boy and that ain't all, oh yeah

Oh yeah
