I can hear her heart beat for a thousand miles
And the heaven's open every time she smiles
And when I come to her that's where I belong
Yet I'm running to her like a river's song

She'll give me love, love, love, love, crazy love
She'll give me love, love, love, love, crazy love

She's got a fine sense of humor when I'm feeling low
down
And when I come to her, when the sun goes down
She'll take away my trouble, take away my grief
She'll take away my heartache, in the night like a thief

She'll give me love, love, love, love, crazy love
She'll give me love, love, love, love, crazy love

Yes I need her in the daytime
(I need her)
Yes I need her in the night
(I need her)
Yes, I want to throw my arms around her
Kiss and hug her, kiss and hug her, hug her tight

And when I'm returning from so far away
She gives me some sweet lovin', brighten up my day
Yes it makes me righteous, yes it makes me feel whole
Yes it makes me mellow down to my soul

She'll give me love, love, love, love, crazy love
She'll give me love, love, love, love, crazy love
She'll give me love, love, love, love, crazy love
She'll give me love, love, love, love, crazy love
