Sugar, sugar

She sits alone waiting for suggestions  
He's so nervous, avoiding all the questions  
His lips are dry, her heart is gently pounding  
Don't you just know exactly what they're thinking

If you want my body and you think I'm sexy  
Come on, sugar, let me know  
If you really need me, just reach out and touch me  
Come on, honey, tell me so, tell me so, baby

He's acting shy, looking for an answer  
Come on honey, let's spend the night together  
Now hold on a minute before we go much further  
Give me a dime so I can phone my mother

They catch a cab to his high rise apartment  
At last he can tell her exactly what his heart meant

If you want my body and you think I'm sexy  
Come on honey, tell me so  
If you really need me, just reach out and touch me  
Come on sugar, let me know

His heart's beating like a drum  
'Cause at last he's got this girl home  
Relax baby, now we are alone

They wake at dawn 'cause all the birds are singin'  
Two total strangers but that ain't what they're thinkin'  
Outside it's cold, misty and it's rainin'  
They got each other, neither one's complainin'

He say's, "I sorry but I'm out of milk and coffee  
Never mind sugar we can watch the early movie"

If you want my body and you think I'm sexy  
Come on sugar, let me know  
If you really need me, just reach out and touch me  
Come on honey, tell me so

## Sugar

If you really need me, just reach out and touch me  
Come on, sugar, let me know  
If you really, really, really, really need me  
Just let me know, just reach out and touch me

If you really want me, just reach out and touch me  
Come on, sugar, let me know  
If you really need me, just reach out and touch me  
Come on, sugar, let me know

If you, if you, if you really need me, just come on and  
tell me so  
Just reach out and tell me so
