Well, don't you tell nobody  
Well, don't you tell nobody  
Well, don't you tell nobody  
Baby, what we gone and done

Well, you made me weak and you made me old  
You made me do the things that I knew was wrong  
You made me jump and then you made me shout  
Early in the mornin', then you knocked me out

Well, don't you tell nobody  
Well, don't you tell nobody  
Well, don't you tell nobody  
Baby, what we gone and done

Well, don't you tell nobody  
Well, don't you tell nobody  
Well, don't you tell nobody  
Baby, what we gone and done  
There's no doubt about it

Well, don't you tell nobody  
Well, don't you tell nobody  
Don't you tell nobody  
Baby, what we gone and done

Well, you made me happy then you made me sad  
You made me feel good, then you made me bad  
You made me jump and then you made me shout  
Early in the mornin' then you knocked me out

Don't you tell nobody  
Well, don't you tell nobody  
Well, don't you tell nobody  
Baby, what we gone and done

Well, don't you tell nobody  
Well, don't you tell nobody  
Well, don't you tell nobody  
Baby, what we gone and done  
There's no doubt about it

Well, don't you tell nobody  
Well, don't you tell nobody  
And don't you tell nobody  
Baby, what we gone and done

Well, you made me happy then you made me sad  
You made me feel good then you made me bad  
You made me jump and then you made me shout  
Early in the mornin' then you knocked me out

Tell nobody  
Well, don't you tell nobody  
Well, don't you tell nobody  
Baby, what we gone and done

Don't you tell nobody  
Well, don't you tell nobody  
Well, don't you tell nobody  
Baby, what we gone and done

Well, don't you tell nobody  
Well, don't you tell nobody  
Well, don't you tell nobody  
Baby, what we gone and done  
Tell nobody
