I must have been through about a million girls
I'd love 'em and I'd leave them alone
I didn't care how much they cried, no sir
Their tears left me cold as a stone

But then I fooled around and fell in love
I fooled around and fell in love
I fooled around and fell in love
I fooled around and fell in love

It used to be when I'd see a girl that I liked
I'd get out my book and write down her name
But when the grass got a little greener on the other
side
I'd just tear out that page

But then I fooled around and fell in love
I fooled around and fell in love, since I met you baby
I fooled around and fell in love
I fooled around and fell in love, yes I did

But I've been strong this time baby
And guess what I'm in love, I'm in love
[Incomprehensible]

Free, on my own, that's the way it used to be
But since I met you baby, love's got a hold on me

Fooled around and fell in love
I fooled around and fell in love
I fooled around and fell in love
I fooled around and fell in love, yes I did

I fooled around and fell in love
I fooled around and fell in love, yes I did
I fooled around, fooled around, fooled around and fell
in love
