Woo

Come on everyboby

Sometimes I wonder  
What this old world's comin' to  
Where it's all gonna end  
'Cause I work all week  
Try 'n' to save me a dollar  
But I get further in debt

But now on in  
I'm gonna spend time lovin'  
Find a baby sitter right now  
Put on your red dress  
High heels, darlin'  
Tonight we're going up town

We're goin' out dancin'  
(Dancin')  
(Woh yeah)  
We're goin' out dancin'  
(Dancin')  
(Woh yeah)  
We're goin' out dancin'  
(Dancin')  
(Woh yeah)  
Chase our blues away

I know a funny little place  
Down on main street baby  
Where the band will play all night long  
They play some hot Rock 'n' Roll to fine syncopation  
And a brother on the saxophone

We got one chance, baby  
Gotta be now or never  
Yeah, I know as I'm broke  
We're gonna make this weekend last forever  
Come on honey put on your coat

We're goin' out dancin'  
(Dancin')

(Woh yeah)  
We're goin' out dancin'  
(Dancin')  
(Woh yeah)  
We're goin' out dancin'  
(Dancin')  
(Woh yeah)  
Chase our blues away

Ahh yeah  
Wait a minute baby

I've been lovin' you for seven years I won't forget  
And I know it's been hard sometimes  
Open up the wine let's pretend we just met, whao

Ahh yea  
Ohh yea

Woo

Listen baby, we'll get home in the morning  
While the milk man's calling  
And the early birds start to sing  
I will roll you some breakfast  
And we'll jump into bed  
And we'll start all over again

So hang on tight, baby  
We'll go flyin'  
Give your man a big kiss  
We're gonna boogie on down  
From the Bronx to Manhattan  
Memories are made of this

We're goin' out dancin'  
(Dancin')  
(Woh yeah)  
We're goin' out dancin'  
(Dancin')  
(Woh yeah)  
We're goin' out dancin'  
(Dancin')  
(Woh yeah)  
Chase our blues away

Oh, chase our blues away  
Baby come on, ha ha hey

Where we're going now  
Dancin'

(Dancin')  
(Woh yeah)  
We're goin' out dancin'  
(Dancin')  
(Woh yeah)  
It may be the Bossa Nova  
(Dancin')  
(Woh yeah)  
It may be the Twist  
(Dancin')  
(Woh yeah)  
It may be the Watusi  
(Dancin')  
(Woh yeah)  
It may be the Cha Cha Cha  
(Dancin')  
(Woh yeah)  
Just as long as we're dancin'  
(Dancin')  
(Woh yeah)  
Come on baby dancin'  
(Dancin')  
(Woh yeah)  
Take away our blues tonight  
(Dancin')  
(Woh yeah)  
Take away my blues tonight  
(Dancin')  
(Woh yeah)  
Just as long as we're dancin'  
Dancin', dancin', dancin'
