What do you want from me
When will you ever see?
I gave it all nothing less
The feeling ain't mutual, I guess

Why am I so confused?
Why do I feel so used?
This game at hand was made for two
But somehow I played without you

No I'm not sad
Nothin' lasts forever
Head over heels
Better late than never

My heart is on the line
Runnin' out of time
Love stop makin' a fool out of me
My heart is on the line
Runnin' out of time
Love stop makin' a fool out of me

Telling my friends you're fine
Even our favorite wine
But you're not there and it hurts
Nobody knows how it hurts

Maybe I thought I knew
That I belonged to you
I dreamed a dream, I couldn't have
I foolishly let myself dance

Inside your eyes
Oh, don't be sad
I should've known better
Why didn't I realize?

My heart is on the line
Runnin' out of time
Love stop makin' a fool out of me
My heart is on the line
Runnin' out of time

Love stop makin' a fool out of me

Love stop makin' a fool out of me
Love stop makin' a fool out of me
Yeah, yeah, yeah, yeah

Whenever you call me up
Everything else must stop
My heart says, stay but I go
'Cause I need you

And you know
You're inside of me
I want you now and forever
Come on back to me

My heart is on the line
Runnin' out of time
Love stop makin' a fool out of me
My heart is on the line
Runnin' out of time
Love stop makin' a fool out of me

My heart is on the line
Runnin' out of time
Love stop makin' a clown out of me
My heart is on the line
Runnin' out of time
Love stop makin' a fool out of me
Yeah, yeah, yeah
Love stop makin' a clown out of me
