When the lights are low you know
I'm gonna go to my hotel chambermaid
I'm gonna jump the garden
And come on hard all night

While the river's flowing outside my window
Gonna see her, gonna get love
Gonna shut the bad boy out tonight

And when the world dead
I'm gonna make my bed with my Hotel chambermaid
She will bring me coffee in the morning with a smile
She don't ask me where I come from

I just crept in then I be gone gonna
Gonna shut the bell boy out tonight

Ain't got a million dollars, no one I can command
But I wish ya could of me someway
Ain't got no future, at least that's what they say
But this girl's gonna take all night ease them blues
away

Hotel chambermaid
Hotel chambermaid
Hotel chambermaid

While the rivers flowing outside my window
Gonna see her, gonna get love
Gonna shut the bell boy out tonight

Oh, room service can you help me?
I want a Hotel Chambermaid
I didn't pay my bill but then I had my fill all night

And while the river's flowing outside my window
Gonna see her, gonna get love
Gonna shut the bell boy out tonight
And while the river's flowing outside my window
Gonna see her, gonna get love

Gonna shut the bell boy out

Gonna shut the bell boy out
Gonna shut the bell boy out tonight
