I can tell by your eyes that you've probably been crying  
forever  
And the stars in the sky don't mean nothing to you  
they're a mirror

I don't want to talk about it  
How you broke my heart  
If I stay here just a little bit longer  
If I stay here won't you listen to my heart  
Oh oh oh my heart

If I stand alone will the shadows hide the colour of my  
heart

blue for tears, black for the night, fears the stars in the  
sky don't mean nothing to you they're a mirror

I don't want to talk about it  
How you broke my heart  
If I stay here just a little bit longer  
If I stay here won't you listen to my heart  
Oh oh oh my heart
