Well, I know y'all look as if you need some
But I just got some, I surely got some
The doctor prescribed some, I surely need some
Have to, have to have some, baby
Oh, I just went out and got some

Oh, my pockets ain't jinglin' and I'm gettin' fat
You know you can't hide it, I know where it's at
My pockets are as heavy as a chunk of lead
I just got a taste of her meat and veg

I had to have some, sure did need some
Doctor prescribed some
Had to, had to, had to have some, baby
Y'all know I look as if I need some
Oh, I just went out and got some, oh yeah

You would not help me
When you really could
But right now, baby
You can't do me no good

'Cause I just got some
Had to, had to, have some
Doctor prescribed some
Had to, had to, had to have some, baby
Y'all know I look as if I need some
Oh, I just went out and got some, oh, yeah

You would not help me
When you really could
But right now, baby
You can't do me no good

'Cause I just got some
Had to, had to, have some
Doctor prescribed some
Y'all know I look as if I need some

I just got some
Had to, had to have some, baby
Oh, I just got some

Everybody knows that I need some
The doctor even prescribed me some
Oh, yeah
