Why do I do, just as you say  
Why must I just, give you your way  
Why do I sigh, why don't I try to forget

It must have been something lovers call fate  
Kept me saying: "I have to wait"  
I saw them all, just couldn't fall 'til we met

It had to be you, it had to be you  
I wandered around, and finally found the somebody  
who  
Could make me be true, could make me be blue  
And even be glad, just to be sad thinking of you

Some others I've seen, might never be mean  
Might never be cross, or try to be boss  
But they wouldn't do  
For nobody else, gave me a thrill with all your faults, I  
love you still  
It had to be you, wonderful you  
It had to be you

Some others I've seen, might never be mean  
Might never be cross, or try to be boss  
But they wouldn't do  
For nobody else, gave me a thrill with all your faults, I  
love you still  
It had to be you  
It had to be you  
It had to be you, woah wonderful you It had to be you
